

## Wellbeing Support Worker – Bank Staff

### Introduction to West Kent Mind

West Kent Mind is one of around 120 local Mind associations which are affiliated to the national charity Mind. We are an independent charitable organisation and support the overall values and vision of the national organisation. West Kent Mind works across the Tunbridge Wells, Tonbridge & Malling and Sevenoaks districts (except Swanley) to support people to get well, stay well and thrive.

We deliver a wide range of services to support people on their path to recovery. We enable people to manage their mental health and to maintain their own wellbeing. We raise awareness and reduce the discrimination and stigma that many people with mental health problems face. We want to create a more positive image of mental health that acknowledges the importance of mental health in shaping our identities.

We are looking for talented people to join our team to help us deliver our strategic ambitions and to continue to play a vital role in the community at a time when we know that the community needs us now more than ever.

### Application process

Please find attached the Job Description and Person Specification for the role that you are applying for.
