New Developments	Innovation Grant The Innovation Grant process was completed in September. The focus was on Carer's support to enable specific services and activities to be funded and grants were awarded to 4 providers. The services in South West Kent will be provided by: Tunbridge Wells Mental Health Resource Centre A short course designed to put carers first and equip them with a range of practical and emotional ways to improve their own well-being based on the 6 Ways to Wellbeing. They will be encouraged to set their own goals and have an opportunity to try out activities in their local area with other people in a similar position.
