Canterbury & Coastal	Concerns continue to exist about disposal of the old site at St. Martins and Helen Grestorex's response, although pleasant, did not answer the questions raised. Dover, Deal & Shepway	1. Regarding the closure of Cranmer (older adults) Ward, when will Samphire (male adults) Ward close, when will patients from Cranmer be transferred across to Samphire and will Samphire's 15 adult beds be provided elsewhere? 2. When will CMHTs extend their opening hours?
Maidstone Weald	None
SW Kent	None
Swale	When will Psychiatric Liaison be 24/7 in all acute hospitals in Kent?
